Responding to Child Abuse

This training is for people that are the first responders to a child abuse call: law enforcement supervisors, patrol officers, investigators, SRO, child protective service, District Attorneys and advocacy personals. We will look into this brutal crime and focus on the dynamics of child physical and sexual abuse, non-violent child death and burn injuries in child abuse. The training will be held in Dyersburg, TN at the Lannom Center on April 16-18, 2007. The training is 24 hours of POST approved hours and includes a catered lunch each day.

Cost - \$175.00 pp

Child Sexual Abuse Investigation

This training is for the professionals that are actually involved in investigating these types of cases and the law enforcement professionals and District Attorneys that want to gain a better understanding of the dynamics of working these cases. Some of the topics will include child molestations, incest, child sex rings, internet predators and much more. The training will be held in Dyersburg, TN at the Lannom Center on August 14-15, 2007. The training is 16 hours of POST approved hours and includes a catered lunch each day.

Cost - \$150.00 pp

Stalking and Sexual Assault Investigation

This training is geared toward patrol/investigation, medical personal, child protective service, adult protective service, SRO and other professionals. We will look into the dynamics of working stalking and sexual assault cases involving females from age 13 and up. We have added a day to last years training. The training will be held at the Lannom Center on September 10-12, 2007. The training is 24 hours of POST approved hours and includes a catered lunch each day.

Cost - \$175.00 pp
